

**Love One Another**  
Retire the Debt Campaign

**Our campaign to pay off the mortgage and contribute to local mission projects is in full swing.** Our congregation has elected to take this step so that we can minimize debt and focus on our greater goals as church in this community. We are looking forward to more conversations about the project in small group settings. In the meantime, here are some questions we are hearing.

**What is the goal of this campaign?**

The goal is to raise \$1.5 million dollars to pay off the mortgage and gift 10% to Community Table, the BPC preschool, and Homestretch Affordable Housing Project.

**Why are we doing this now?**

The Session decided that keeping the additional mortgage payments of approximately \$107,000 per year would require changes to the budget that are not in line with our goals. Therefore, we are endeavoring to pay off the mortgage so our budget can continue to reflect the priorities of the congregation.

**How is it going?**

We have raised approximately \$300,000 in pledges and gifts towards our goal of \$1.5 million.

**How much should I pledge?**

Your commitment is a decision you'll make through prayer and discernment. We ask you to prayerfully consider donating 1.5 times your annual pledge over the course of the next three years.

**Who can I talk to about this?**

The Love One Another Committee is co-chaired by John Ariale and Jessie Doll. The committee members are Diana Berry, Marcy Stennes, Marc Childress, Anita Pesses, Teresa Weaver, Adam Erbrecht, Carol Ann Cunningham, Lauren Fisher and Meg Ross. Please let us know if you would like to schedule a time to talk.
